

VI. *The Upper 2007* *Sherborne v Winchester*

**Signed limited edition prints from the original painting
by Jocelyn Galsworthy**

Jocelyn Galsworthy has been painting professionally for over forty years and has gained an enviable reputation as an outstanding cricketing artist - she has travelled the world painting Test Matches as well as county, village, school and club grounds. The lady in the white hat, sitting on the boundary, recording matches for posterity, has now become a part of the cricket scene.

I would like to order a signed and numbered limited edition print (one of 350 copies only) of

The Upper 2007—Sherborne v Winchester

and enclose my cheque for £125.00 made payable to The Old Shirburnian Society
